

Please fill out our survey

From time to time, the Bolton Cultural Council surveys residents to help ensure our grants benefit the community to the greatest extent possible. We have a survey in circulation now to capture input about interests, resources and needs related to all types of culture enjoyed by Bolton residents. Please take a moment to fill it out and return to our box on the second floor of Town Hall or mail to Town Hall or email to boltonculturalcouncil@gmail.com. Thank you!
